the venue

The Arborist, a sophisticated wine bar and restaurant, is a staple of Little Malop Street in Geelong's CBD.

Every element of this popular eatery has been thoughtfully designed. The colour palette of muted greens, blacks and earthy tones complements the large European Ash Tree that the venue has been built around. The bar is made from an ice green marble, while an entire wall is adorned in slimline vertical bricks and hosts a custom-made olive bench.

At the heart of this striking building Executive Chef Anthony Hammel and Head Chef Chantal Chenery are putting their spin on Modern Australian cuisine by incorporating Middle-Eastern flavours into their dishes. Anthony's a la carte menu is structured around a share plate approach, each dish is made to be shared, allowing visitors to sample a large variety of courses across their visit.

The Arborist's beverage list has been carefully curated. From an extensive wine list to large selection of cocktails, the menu is designed to allow the visitors to choose their own experience. A visit to The Arborist might look like a many coursed lunch with wine but it could just as easily be a night of cocktails and grazing with friends.

Whether you're in the mood for a sip and a snack, or want to take your time, soak up the fun, the roof top has you covered. A cheeky nod to her classy sister down stairs . The bar is made from pink tones of cosmopolitan marble, and surrounding tones of boysenberry engulfed with the ash tree makes a perfect back drop.

menu

Our function offering is emblematic of the arborist experience, reflecting our most sought after dishes in bite-sized.

Sophisticated canape options designed for mingling will impress: available as small bites, more substantial items & something sweet to finish. A long all-day grazing table acts as a centrepiece, ice-breaker and décor all in one.

'Feed me' is the way to go for seated occasions – a multi-wave, shared meal to sate the largest of appetites. Our attention to detail on dietary requirements is second to none, with every guest looked after. You'd be wise not to skip sweets!

beverage

Anyone will tell you we love a drink!

An immaculately curated wine list, thirst quenching uber-cold tap beers, and cocktails to write home about (if we do say so ourselves) hold pride of place at the arborist.

Our house selections are carefully chosen to please, and a wide and thoughtful bottle list will tickle the most discerning of tastes. We will 'work' (read: taste) with you to ensure a drinks package or tab inclusions that suit your party.

Want to shake it up? Ask about a curated cocktail hour to really get the people going!
